COURSES

TECHNICAL FEATURES

Cardiac Climb ①

A gruelling climb over water bars directly before the Waterfall section

Waterfall ②

Also known as the cheese grater; a steep, rocky descent around a corner

Four Rocks ③

Four unique boulder step-ups positioned in a row on a rising corner

Hammerhead ④

Set of steep rolls, considered the hardest A-line on the World Champs course

Three Sisters ⑤

A tight, rocky corner leading into three consecutive drops, with an optional B-line

The Playground ⑥

A selection of bridge jumps leading into drop-offs before a steep wall ride

*Courses subject to change based on conditions
